The Military program honors all veterans however this year we are teaming up with the WI Fairs Organization to give special emphasizes to the Honor Flight Network. The Honor Flight Network is a non-profit organization created solely to honor America's veterans for all their sacrifices. They transport our heroes to Washington, D.C. to visit and reflect at their memorials. Top priority is given to senior veterans – World War II survivors, along with those other veterans who may be terminally ill. Of all the wars in recent memory, it was World War II that truly threatened our very existence as a nation – and as a culturally diverse, free society. Now, with the over one thousand World War II veterans dying each day, our time to express our thanks to these brave men and women in running out.

**Show your Colors with pride. Bring along your colors from your unit or post (with stand) to be displayed at the 10:00am Military Salute service. If you know you will be attending the service please let us know.**

Please pass this information along to as many military families as possible. The only way to keep offering this very special discount is by getting participation from you. Being part of a military family myself, I know the importance of these discounts. So please consider attending the Calumet County Fair. Hope to see you there.

Sincerely,

*Judy McGlin*
