Southern Wisconsin Veterans Memorial Cemetery

Donation Program

Honoring those who served

Avenue of Flags

The Avenue of Flags graces the entrance and roads throughout the cemetery. Your donation to the Avenue of Flags includes a flagpole, donation plaque with inscription and concrete foundation. There are a limited number of flagpoles available for donation.

The Avenue of Flags offers families and friends the opportunity to honor and remember a loved veteran. The flags flown during ceremonies and special events at the cemetery are burial flags that have been donated to the cemetery by families. The donated flags are flown until their condition requires them to be retired.

Medal Display

Medals are one of the primary ways that the military acknowledges the service and sacrifice of our service men and women. Donations to the Medal Display will provide the opportunity to show a wide range of medals that have been awarded by our nation. Donations received through this program will be used to create the medal display and for the long term beautification of the cemetery. This program will cover Valor and Non-Valor medals issued by all Branches of Military Service.

Wall of Honor

The Wall of Honor is displayed in the administration building. The Wall of Honor represents general donations made by families, friends and organizations to the cemetery. These general donations are used exclusively for the continued improvement and beautification of the cemetery. Each Wall of Honor donation is recognized with the placement of a brass plaque. There are a limited number of Wall of Honor spaces available.

Memorial Pavers

Memorial Pavers located at the Carillon Tower offers families a way to remember and honor their loved ones. The Memorial Pavers are available in three (3) sizes; Memorial Brick, Patriot Stone and Tribute Stone. Donations from this program are used for improvement projects throughout the cemetery

Commemorative Benches

A program embraced among families and friends is the Commemorative Bench. The benches are made of high quality pre-cast concrete placed upon a permanent concrete foundation. The benches are placed at pre-selected sites designated by the cemetery staff. Your donation to the program will consist of a bench, foundation and bronze donation plaque with personalized inscription.

Organizational Donations

Organizations are welcome to make significant monetary donations towards completing specific projects or funding entirely new projects. The cemetery director always welcomes suggestions from individuals and organizations with ideas for new projects. The cemetery also has an organizational stone program. Please contact the cemetery director for more information.

Donation Form

Enclosed is my donation for the following item(s):

Prices are subject to change - Effective May 1, 2016

- \$ _____ General Donation
- \$200 Memorial Brick
- \$300 Patriot Stone
