## QUILT OF VALOR

This month got away from us faster than we could keep up with! We had special music, woodworking, a quilt donation, and brewer day complete with a cookout. Along with that we also had a few of our members receive the Quilt of Valor. What an awesome experience!

## *The Miraculous Medal*

On August 8th, 2023, we arrived in Paris in France. The journey was a bit rough because of traveling through the whole night with a time difference of seven hours. However, our arrival at the Holy Shrine energizes us. The Mater Dei Tour, a pilgrimage director Juane took us to Shrine of Saint Vicent de Paul. Here we had the opportunity to pray at his tomb. We went to the Miraculous Medal Church. It is the place of the first apparition of Catherine Laboure in 1830. While here we saw the body of Catherine Laboure. We had time to pray asking God to bless us.

Also, while we were at the Miraculous Medal Church; one of the bishops celebrated Holy Mass in French. I was seating next to a woman who was singing beautifully. The church was filled with people of all ages.

A little about St. Catherine Laboure; she is commonly remembered as the “Saint of the Miraculous Medal” and is admired for her tender relationship with the Blessed Mother, who entrusted her with the mission of spreading the message of her immaculate love.

A little about the Miraculous Medal; the Mother of God told Catherine that all people who wear her medal will be blessed. “O Mary Conceived Without Sin Pray for Us Who have Recourse to Thee”. The blessed Mother of God open her hands for a hug. A mother loves and cares for her children. She will not leave them alone. Mother of God is ready to intercede for us. We just need to reach out to her in our prayers. “O Mary, conceived without sin, pray for us who have recourse to thee.” A mother who is always on our side.
