

The **Wisconsin Veterans Home at King** is where love of country merges with over 130 years of Caring for America's Heroes. All branches of the armed forces are represented here. Each branch has its own esprit de corps, but all are united as veterans of this great country in a community with camaraderie borne out of shared military experience.

The **Wisconsin Veterans Home at King** is a long term and rehabilitative care facility serving veterans and their eligible dependents. We offer quality medical and nursing care which enhances quality of life. Our highly trained and dedicated staff strive to meet the unique needs of veterans by providing compassionate care built on the foundation of integrity, honor and respect.

Spanning across 42 acres of the richest, most picturesque scenery, the **Wisconsin Veterans Home at King** is a gem like no other. Uniquely nestled between the bluest of blue spring-fed lakes, embraced by lush green rolling hills, the sights and sounds of this magical setting are breathtaking. This unsurpassed beauty is not commonly home to a long term care facility, but how appropriate a setting providing peace and tranquility for those who bore the battle.
