The *FastTrac NewVenture* course offers practical information and real-world contacts through a stimulating, nine-week entrepreneurial training course for veterans.

*Do you have a new idea for a business or an opportunity to buy an existing business, but don't know where to start? **NewVenture** will help you evaluate your opportunities through a real-world feasibility study.*

***NewVenture** is funded through the Veterans Corporation at no cost to the veteran.*

***FastTrac NewVenture** is sponsored by the Veterans Corporation, the Tomah VA Hospital, and the Wisconsin Department of Veterans Affairs.*

*Businesses started by FastTrac graduates are 85% more likely to succeed than the average business!*
